MOTOROLA

Authorized Two-Way Radio Dealer

**Beyond the
Call of Duty**

MOTOTRBO™

**Professional Digital Two-Way Radio System.
The next step in radio communication.**

The future of professional two-way radio communications has arrived. Sharper essentials, enhanced features, and improved functionality give MOTOTRBO its exceptional value; and as the first digital two-way radio system specifically designed with the needs of professional organizations in mind, MOTOTRBO offers a customized solution to the entire spectrum of business critical communications needs.

MOTOTRBO employs the latest digital technology to deliver increased capacity and spectrum efficiency, integrated data communications and clearer voice communications. Portable hand sets, mobile units, repeaters, and multi unit chargers make the two-way functionality of MOTOTRBO completely scalable.

MOTOTRBO Solutions for Local Public Safety:

- Provides clearer voice communications over a greater range than analog radio with static and noise rejection
- Private calling (one to one), group calling (one to many), dispatch (one to all)
- Emergency signaling
- GPS services – simply to deploy and less costly than third party GPS devices
- Meets Military Specs and IP57 for submersibility
- Enhanced battery life – up to 40% longer than Analog
