What is a PSP?

A Motorola Premier Service Partner (PSP) is the highest level of service attainable by a Motorola dealer. It represents a superior level of Motorola/Service agreement and interdependence. Motorola Premier Service Partners demonstrate consistent capabilities in performance, personnel and commitment to Motorola products and services. Motorola Premier Service Partners have also received Certified Service Center Accreditation.

Why choose _____ to perform your Two Way Radio Systems Services?

As a Motorola Premier Service Partner, _____ has a factory trained staff of experienced service professionals who are totally committed to keeping your system performing at peak efficiency. Benefits of partnering with _____ include:

- Warranty support
- Quality service for your Motorola equipment
- Quick turn-around on most makes and models
- Extensive factory original parts inventory
- Friendly professional personnel who understand your needs
- Motorola factory-trained technicians
- Our personnel participate in ongoing training, both in-house and at vendor locations. Many are vendor certified.
- State-of-the-industry testing and repair facilities and equipment
- Maintenance agreements and emergency 24/7 service are available
- We provide in-house technical services. Our fleet of service vehicles can also provide on-site installation, repair and maintenance at your location, if needed
- Our spacious services bays can accommodate the largest of vehicles
- Received Certified Service Center Accreditation
