TECHNOLOGY TOUR 2010

A HANDS ON INTERACTIVE SHOWCASE ON WHEELS

The Motorola Technology Tour, also known as The Mobile Briefing Program, is a powerful and engaging sales tool that mobilizes Motorola's communication and data solutions directly to your customers.

Join us on the truck for demos and lessons on a wide range of Motorola technology and gear. This is a great chance to receive hands-on knowledge about new and exciting products.

Please contact XYZ Wireless to register and view a schedule of the days events!
